

## **Chesterton Academy Receives National Award for the CLT**

HOPKINS, MN – January 27, 2022 – Chesterton Academy has been named one of the Top 20 Schools in the [Classic Learning Test's](#) 2020-2021 National School Rankings. This award recognizes Chesterton's student body for collectively receiving one of the highest median scores in the nation on the CLT.

The CLT is a college entrance exam and alternative to the SAT® and ACT® offered by the Classic Learning Test. Designed for 11th and 12th graders, the exam evaluates English, math, and critical reasoning skills and provides a comprehensive measure of achievement and aptitude. Most importantly, it engages students with classical texts from the most influential authors across time.

Since its inception in 2016, Classic Learning Test has offered assessments steeped in more intellectually rich and rigorous content than other standardized tests. Out of the hundreds of schools that take the CLT every year, Chesterton Academy is thrilled to receive this distinguished recognition and celebrate this remarkable achievement.

#####

The mission of Chesterton Academy is to help parents raise up a new generation of joyful leaders and saints, educated in the classical tradition and the truths of the Catholic faith. Our rigorous, integrated curriculum unlocks students' potential and prepares students to succeed in college and professional life, and to excel in service of family, of country, and of Christ our Lord.
